50,801.8

Potable water per person

3 biggest trading partners: United States, China, France

7. India -- Narendra Modi

Land area (2020 world bank) 2,973,000 sq km

Population (2021) (world bank) 1,393,409

Gdp per capita (USD) (2021) (world bank) 2,277.4

Potable water per person

3 biggest trading partners: United States, China, United Arab Emirates

8. Indonesia -- Joko Widodo

Land area (2020 world bank) 1,878,000 sq km

Population (2021) (world bank) 276,362

Gdp per capita (USD) (2021) (world bank) 4291.8

Potable water per person

3 biggest trading partners: China, United States, Japan

9. Italy -- Giorgia Meloni

Land Area (2020 world bank) 296,000 sq km

Population (2021) (world bank) 59,066

Gdp per capita (USD) (2021) (world bank)

35,551.3

Potable water per person

3 biggest trading partners: Germany, France, United States

11. Japan -- Fumio Kishida

Land area (2020 world bank) 365,000 sq km

Population (2021) (world bank) 125,682

Gdp per capita (USD) (2021) (world bank)

39,285.2

Potable water per person

3 biggest trading partners: China, United States, Korea Republic

13. Korea Republic -- Yoon Suk-yeol

Land Area (2020 world bank) 98,000 sq km

Population (2021) (world bank) 51,745

Gdp per capita (USD) (2021) (world bank)

34,757.7

Potable water per person

3 biggest trading partners: China, United States, Vietnam

14. Mexico -- Andrés Manuel López Obrador

Land area (2020 world bank) 1,944,000 sq km

Population (2021) (world bank) 130,262

Gdp per capita (USD) (2021) (world bank) 9,926.4

Potable water per person

3 biggest trading partners: United States, Canada, China

15. Russia -- Vladimir Putin

Land area (2020 world bank) 16,377,000 sq km

Population (2021) (world bank) 143,446
